In heaven at dirty-seven

My girlfriend Maria is thirty-seven years old and looks great for her age. I met her at the office.

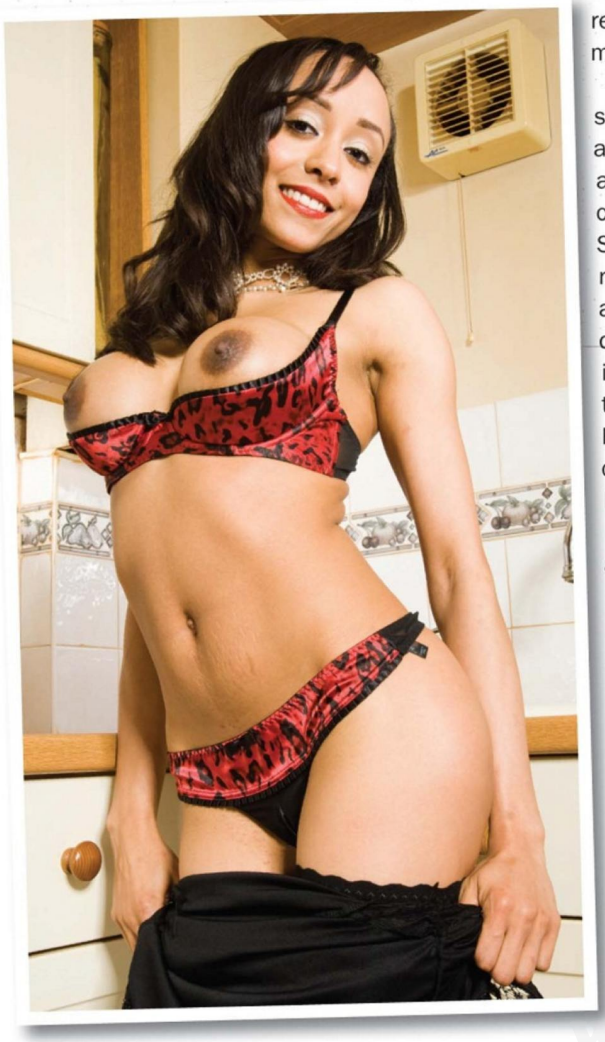
We often go into work and catch up on the paperwork when none of my staff are around. This gives her the chance to play the role of the sexy secretary.

The only problem is that as she is walking around the office, bending over the desk and flashing her bronzed thighs and firm butt, she is quite a distraction.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.



My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at break times and after lessons.

She soon got a reputation among the lads in her class for giving good head. She sucked a mean cock and she always swallowed the lot.

"She can't remember how many guys actually fucked her that night"

One of the lads' parents went away for the weekend and Maria was invited. Of course she was - you'd have to invite the blow-job queen, wouldn't you?

Maria wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Maria was being

JUICY DECIMAL SYSTEM

With books seemingly less important in libraries than DVDs, computers and hobos pretending to read newspapers, maybe local councils should go the whole hog and start turning their "one-stop shops" into knocking shops to bring back the punters. This latest Bluebird outing features cover girls Louise Jenson and Cindy Behr and bookish babes Stacey Saran (*left*) and aptly-named Paige Ashley (*right*) having their tickets stamped by the usual hairy cocksmen. And no-one dares to tell them to shush! Your cock is sure to be well-thumbed after watching this!

chatted up by some guy and before too long they were up in the bedroom.

After sucking the guy off and drinking down his cum, she took his cock in her mouth again and slowly coaxed another hard-on out of him with her tongue.

Then she lay on the bed with her legs spread wide and he knelt in front of her and slid his cock inside her.

After they'd been screwing for a while she noticed that a couple of lads had entered the room. She did not seem to mind and carried on.

When the first guy had sprayed her with spunk a voice from the room asked when it was his turn. She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Maria can't actually remember just how many guys fucked her that night. She thinks it was somewhere between twelve and twenty, with some of them doing her more than once.

She said she was covered in spunk by the end. She had it in on her face, tits, stomach and all down her stockings.

She can't remember how much she swallowed and how many guys she had let cum inside her. I reckon it must have been a good pint in all.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute, every cock and every drop of sperm.

While Maria told me this story I banged her like a man possessed - it got me so horny. Then I added my two-penno'th to the ocean of spunk she's eaten!

Full marks for lesbian sparks

I've had a few lezzie experiences. Everyone has these days, haven't they?

One time I was doing some revision with my mate Amy. I've already said she was a slag, but I also knew she was bi. She often told me about it, and when she did I found it turned me on.

Anyway, we were both in my room curled up in my duvet on my bed with a couple of mugs of tea and mounds of notes. We were only in our night stuff and it was impossible not to recognise the sexually suggestive nature of the scene.

Amy must have read my mind, because without warning she reached over and put her hand on my pussy. I was half expecting it, and I let her do as she pleased. I closed my eyes as she began to gently rub my pussy through my long T-shirt.

I sighed as she raised my T-shirt slightly to reveal my clean-shaven cunt. She leaned across to kiss my lips, moving her hand down to stroke my silky mound as she did.

Her hot breath and her soft lips against mine were a real turn on. I kissed her back and felt my way to her tits. I rubbed them through her shirt, thrilling at the hardness of her nipples.

Taking the lead, I lifted her T-shirt over her head to reveal the slope of her full breasts. I moved my mouth down to her milky-white orbs, closing my lips over one of her hard nipples. As I sucked she sighed and deftly removed my T-shirt without hindering me.

Then Amy wriggled free and told me to shut the door. I did so, and when I turned back she had positioned herself on her back on the bed with knees bent and legs spread. She clearly fancied a sixty-nine – wicked girl!

I clambered over her and my pussy hovered over her face. Soon her clever tongue was darting all over my cunt. She seemed to know exactly how and where to touch me to drive me wild. I returned the favour,

burying my head in her sweet, smooth cunt.

It wasn't long before Amy had given me a brilliant orgasm with her snaking tongue. All the while she used her hands to supplement her tongue, either teasing my nipples or stroking my clit as her tongue explored me. I tried my best to give her equal pleasure, but a lot of the time I was moaning aloud or crying out uncontrollably. The pleasure was different to anything I'd experienced before, partly because I was so aware that it was a girl who was giving me such pleasure.

We ended up collapsed together in a sticky, sweaty heap. It was a great introduction to lezzie sex and since then Amy and me have had some good sessions, including one fantastic foursome. My student days will soon be over, but I don't think that will stop me getting around as much as I have done! Here's fingers crossed, anyway!

TRUE CONF

SARA TAKES PART IN A VERY ADULT GAME OF DOCTORS AND NURSES

Although we're well into 2014 now, I still haven't decided on a New Year's resolution. Healthy eating and exercise were my resolution last year and I promised myself some new clothes if I succeeded.

I really knuckled down and managed to lose over two stone in the first six months, something I had only dreamed about for years. I stayed true to my self-promise, and went shopping for a new wardrobe, to replace the frumpy and shapeless one I already had.

After getting myself some lacy undies and a few other necessities, I began my hunt for the sexiest dress I could find. Turned out, it was a skin-tight micro-mini from a fetish shop – black rubber with red rubber flames licking up the front from the hemline. I loved how I looked in it, slender yet curvy, with my boobs shoved up into the most incredible cleavage. I chose some red 'stripper' stilettos to go with it – they screamed 'look at me', but they also made my legs look even longer and slimmer, and I couldn't resist them.

While I was out shopping for the new, exciting me, I was handed a flyer for a fetish club. If I had been handed the leaflet the day before, I probably would have thrown it away, but this daring new version of Sara was intrigued and feeling confident enough to go and have a bit of sexy fun!

That night, I got dolled up in all my sexy new gear, did my hair and make up and couldn't believe how different I looked! I made a pact with myself that I would say yes to whatever I was faced with that night, no matter how nervous I was. A new me deserved a new experience, after all!

When I arrived, I headed straight to the bar, past numerous couples making out, in various states of undress. This didn't faze me, but I was started to get butterflies in my stomach, thinking about what might be in store for me. I bought myself a cocktail, then wandered around the club, taking all the horny sights in, still wondering where I would find the action for me.

I actually found it a few minutes later, in the 'playroom', where they had a load of props set up for sexy, roleplay games. A couple acting out a doctor and nurse scenario caught my eye. She was cartoon-sexy – big blonde hair with a little nurse's hat perched on top, bee-stung lips smothered with pink gloss, a tight, metallic-blue nurse's uniform, unbuttoned low enough to expose a white rubber push-up bra, and high heels. He was older, but distinguished looking – he could have passed for a real doctor and I like to think he was – but his suit and white coat were made of rubber. He was also wearing a rubber surgical mask, which made him look slightly imposing. I took a deep breath and approached them; if I was up for a new experience, this was definitely it! For my 'medical' he had me hop up on a surgical table, padded with rests that raise

and splay my legs. "If you could prepare her, nurse," he said. "Make sure she's well-lubricated for the internal." A crowd began to gather as the nurse started stimulating my clit, teasing it lightly with her rubber-gloved fingers. Every now and then she'd dip a finger into my pussy, inspecting it to see how well I was juicing up.

A crowd of men began to gather round me to watch, and although I felt a bit nervous at first, I felt a glow of pleasure, perhaps even a sense of power that I was turning them on so much. The doctor came up to inspect the nurse's work before slipping three gloved fingers inside me, with what seemed to be professional detachment. Even when he hit the spot, sending me into spasms, his eyes, above his mask, didn't show any response. Then he ducked his head between my thighs and licked me through his mask – I felt his tongue against my slit through the thin rubber and I shivered with pleasure. Then he fingered me again and told me, "Ready for treatment. Just relax."

His prick was already hard when he got it out and he wanked it with a gloved, lubricated hand, until it stiffened and swelled even more. Then he eased his cock, smoothly and expertly, up my fanny, sinking in down to his balls. He fucked me like he'd fingered me, cool and detached. As I started to moan and whimper, the nurse came over, holding and stroking my hand, then hushing me with a deep, open-mouthed kiss.

"I FELT A SENSE OF POWER THAT I WAS TURNING THEM ON"

She came out of it with her hair dishevelled and traces of my red lipstick all over her mouth, when the doctor called her. He was trying to stay calm, but she had to mop the sweat running off his brow.

I was in a bit of a state too, groaning and gasping for breath, writhing my naked arse against the table. The nurse put a ventilated 'oxygen mask' over my mouth, just for effect, and breathing in the scent of the black rubber just got me even hornier.

As the doctor rolled my clitoris in between his rubber-coated fingers I started to orgasm, my cunt muscles clamping tightly around his shaft, holding him fast. This set him off too. He pulled out and wanked off against my rubber dress until spunk exploded out of his japseye to splatter all over me.

After taking my applause from a very appreciative audience, I staggered off to the bar for a drink. I caught sight of myself in a mirror – flushed and a bit dishevelled, with sticky white trails running down the front of my shiny red and black dress – and finally realised how fuckable I looked.

And that's why I haven't settled on a New Year's resolution yet for 2014 – I know it'll come true, so it needs to be a bloody good one!

Two into one really does go

I would like to tell you all about when my fantasy of having a threesome became a reality.

It all started when my partner and I went out for a meal with one of our friends, Steve. Steve is a lifeguard, so you can imagine what his body is like.

My partner and I go to the gym a lot so he is in good shape too. The conversation turned to our greatest fantasies. To our surprise, we found we shared a common threesome fantasy.

Soon we were working out where and when we could do it. The boys, randy as fuck, decided it should be that night at our place and I agreed.

Back at our house we had a drink and got going. It was decided I should be blindfolded and then have to guess which of the guys was doing what to me.

I was taken to the bedroom where they stood me in the middle of the room and stripped me down to my knee-high boots, stockings, thong and bra.

The feel of two pairs of lips kissing me all over was sensational. My bra was removed and as they kissed my pert nipples a shiver ran down my spine.

I was bent over and my sopping wet thong was pulled to one side. Two fingers were thrust up my wet, shaven cunt. I groaned as they

"My body convulsed as my partner shot his hot load into my steaming pussy"

pummelled my pussy from behind.

As I opened my mouth to groan louder a fat cock was plunged into it. I sucked on it greedily, eager for the taste of cum.

My knees weakened as I felt a tongue slurp up and down my pouting pussy lips. I started to cum, at first in just a trickle but then in rivers as the guys did me harder and faster.

When the guy licking me from behind had swallowed his fill he straightened up, held my hips and slid his meaty bell-end up against my mound. With a nudge he was in.

I was being pumped from both ends and loving every minute of it. One of my hands was on one of the guy's balls and the other was resting on the bed to stop me falling over.

They pumped me harder and faster. If my mouth hadn't been so full I would have screamed with pleasure.

The first guy shot his load over my arse. Next thing I knew I was being thrown on onto the bed on my back. One of the guys climbed on top of me and started fucking me again.

The other one offered his cock to my lips. I could feel a massive orgasm growing inside me and I squirmed like a mad woman.

The blindfold came free and I looked up to see my partner pumping away at my cunt and Steve with a look of ecstasy on his face as I sucked his hard cock.

Steve shot his cream over my tits and rubbed it in and my body started to convulse as I climaxed. As I did, my partner shot his hot load into my steaming pussy.

It was a fabulous night and one that I want to repeat in the near future. If lucky readers will let me!

I am still curious about a threesome with another girl. So if there are any females out there who are interested please, please contact me!

"When did I last have sex? In the back of my boyfriend's car," sighs Lorna wistfully. "My big boobs were jiggling like mad as I bounced up and down on his gear stick. He said it looked like the car's airbags going off!" Lorna, we'd happily drive into a brick wall if it meant we got these babies inflating in our faces!

Will I always fondly recall the summer I spent a few weeks touring the continent? I think so. They say that travel broadens the mind, and it certainly broadened mine. But my mind wasn't the only thing that would get used a lot that summer!

I'm not a bad-looking girl – wherever I've gone, there's always been a few cool guys keen to get a piece of me – even if I do say so myself! The only problem I've had is deciding which guy to choose, and it took me quite a while to come to an answer: why just stop at one bloke? Now, don't get me wrong, I've never fancied myself being at the centre of a six-man spunk shower, but to slip between the sheets with two or three guys and their stiff cocks, letting them all keep me happy at once, well, that's my idea of heaven! Plus, I never want to be tied to just one bloke – I want to taste all kinds of fruit in my life! Of course, there was never any chance of doing that kind of thing in my hometown, but during that hot, wild summer in Europe things were so different.

"As I yelped, both cocks started pumping and twitching inside me"

I'd arrived in Paris with few plans, and after checking in to my B&B I found a cute little bar where I could read my guidebook over a large glass of vin rouge. I was dressed casually, my shorts showing off my toned legs and no bra beneath my flimsy T-shirt, just a light sweater thrown over my shoulders. As I sat down and ordered a coffee, I could feel dozens of pairs of eyes on me, so I wasn't expecting to be sat alone for very long.

Within ten minutes of arriving at the bar I was chatting to friends Michel and Philippe, who told me they shared a lovely little apartment nearby, and within seventy minutes I was sipping a cocktail in their luxurious bath, idly fingering my clit and trying to figure out which of them I liked the most. "What the hell!" I thought aloud, "Why settle for just one of them?" And with that, I got out of the tub, towelled myself down and walked bare-arse naked through into their front room, as bold as brass! I knew that would do the trick, and I wasn't disappointed; within seconds, I was being kissed and fondled from every direction.

Tongues slipped into my mouth as hands cupped my boobs and fingers strayed into my pubes, and I felt both guys push their deliciously thick cocks into my hands, as they both pulsated away. Well, it would have been rude not to give them a few tugs before expecting anything myself!

After getting them both rock-hard, I let go of the dicks I had in my hands and instead eased Philippe down onto the floor, so I could lean over him and be comfortable while I sucked his dick. I leaned forward at began to take long, wet licks at his length, making sure I didn't miss the base nor the tip, so wasn't overly surprised when Michel cheekily pressed his cock between my labia. In a quick, single motion he was inside me up to the hilt, and I rode his length enthusiastically, while letting Philippe fuck my mouth.

I'd never been with two guys at once before, and at once I seized my opportunity to experience some amazing new things. And getting banged from both ends was definitely a new thing!

After a while of this, Philippe removed his dick from my mouth and, moving position, indicated that he

wanted to fuck me. I pulled away from Michel, letting his wet tool flip out from my pussy and straddled Philippe's awaiting member, expecting Michel to come around and offer his dick to my mouth. I was actually anticipating it – there's nothing I love more than tasting my own juices on a cock – and was disappointed when he disappeared into the bedroom.

Don't get me wrong, I was having a great time with Philippe, but I was feeling greedy and wanted two pricks servicing me! When Michel emerged a few minutes later, I noticed he was clutching a tube of lube and I giggled nervously. I knew exactly what it was for and although I enjoyed anal enormously, I wasn't sure how ready I was to be double penetrated!

I made a few doubtful noises but I didn't even convince myself with my feigned protests, and I happily let Michel rub that lube around and into my arsehole, which slackened and opened a little in anticipation. The truth is, the thought of it was too exciting for me to resist. As Philippe continued to shag my pussy, Michel squatted between arse cheeks and slowly worked his dick into my bum hole.

He started off gently, but once he was sure that I was enjoying it, he settles into his rhythm, pumping in and out hard. I could feel Philippe in my snatch doing the same, sometimes in the same direction, sometimes in the opposite, and before I realised it, I was cumming hard. My orgasm flooded over me in waves and it had me screaming and gasping with pleasure.

Before I'd finished yelping, both cocks had begun twitching and pumping inside me, and hot jets of spunk were shooting into my holes from two separate directions! Both guys gave their final lunges, complete with grunts, and we all fell apart, breathless and sweaty, the hot, creamy spunk drooling from my pussy and arsehole to form a single thick gloop, running down my arse as I lay on the floor.

And that was my first DP, and although I couldn't wait to try it again, I had no idea that I would only have to wait five more days until my next time!

It was in a restaurant in Vienna that I met Kurt and August. They spoke English well enough to introduce themselves, to buy me a few glasses of Champagne and eventually, to let me know what they were after – as if I didn't already know! I played it out a bit longer, making them buy me a few more expensive drinks before we headed back to Kurt's place. Or was it August's? Whichever, it makes no difference – they were both sitting naked, facing each other on the floor, while I sexily danced between them, slowly working my knickers down my legs.

Pinging my pants off so that they landed on the TV, much to the lads' amusement, I urged them both to inch closer to me,

then again, until their faces were so close to me they were able to reach me with their tongues.

I pulled my lips apart and encouraged Kurt to lap at my clit before pulling my cheeks apart, allowing August to get to my arsehole, which he did, enthusiastically. As they licked and sucked away, I had a wicked idea; I ordered them both to pause, then crouched down where I was stood, my splayed pussy lips just inches from Kurt's throbbing prick, my arse just as near to August's fat member.

I spat on my fingers and rubbed my spit into my arse, reached around to grab August's cock and then, with a gasp, I settled down on both shafts at once. I didn't need to say a word – August grabbed my ponytail from behind and pulled my head back, baring my neck to Kurt. Kurt placed a delicate kiss just underneath my ear that gave me goose pimples all over my body, before lifting my top off over my head.

He deftly removed my bra with one hand, releasing my ample, bouncing boobs, the sight of which must have inflamed their lust even further as their thrusting became harder and more urgent. I began to suspect that they must have done this before, so coordinated was their timing.

As one was withdrawing the other would be banging inside me, up to the hilt. It was a sensory overload that left my head spinning. August had a firm hold of my tits from behind, Kurt had one hand around the back of my neck, entangling my tongue in a fierce kiss that seemed to go on forever.

Feeling like some wanton slut, I urged them to fuck me harder and faster, and I soon felt my climax begin to swell. I've learned that when you're full to the eyeballs with cock, all parties involved can detect an orgasm a mile away – each quiver of the flesh is amplified.

My arsehole was beginning to throb around August's tool and he took this as a prompt, jabbing into me forcefully, but unfortunately upsetting our equilibrium a little so I that fell

forward onto Kurt, impaling myself heavily on his meaty member. Kurt called me a greedy little bitch and I heard August mutter his agreement. Gits!

They sped up their efforts. I was really close to cumming now, and was thrashing between the two of them like a woman possessed. Kurt came first, throwing his head back and thrusting so hard into me, I felt myself climaxing too, howling my pleasure to the neighbourhood, shamelessly. I felt August grab my bum cheeks and pummel his dick in and out of me, the sweat dripping down his forehead, before grunting loudly, pulling out and splashing his warm jizz all over my back and bum.

I didn't keep in touch but the thought of them all now still makes me horny! been practising everything I learned since I got back!

TRUE CONF

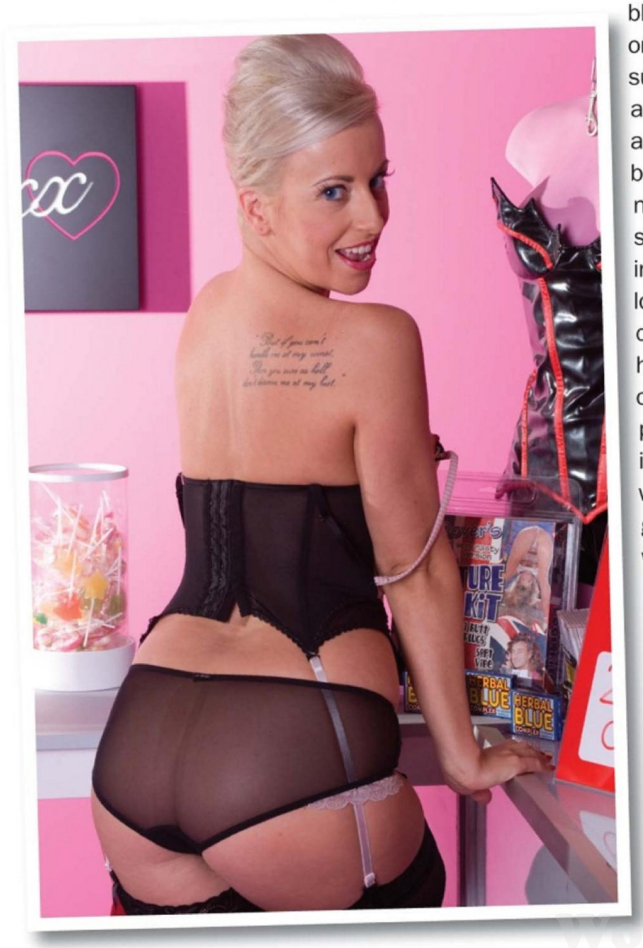
WORRIED YOUR WIFE MIGHT FIND YOUR SECRET PORN STASH? DON'T BE, SAYS GILLY

Alfie and I have been happily married for three years now, and I didn't think we had any secrets from each other until a few weeks ago, when I found his hidden stash of DVDs.

I've always been quite shy and embarrassed about pornography, and have only seen a handful in my life, and if the DVDs hadn't had R18 stickers on them, I'd have assumed they were illegal. An ex-boyfriend had a soft-core porno once, and it was pathetically coy, even to my naïve eyes – there was no full-frontal nudity and the simulated sex scenes were laughable; all you got to see were tits and bums!

However, the covers of Alfie's little collection were far from coy – good-looking men with huge erections stuffed into girl's mouths, fannies and arseholes. I was shocked, but couldn't help being a bit curious. The first disc that I picked up had a photo of a beautiful blonde girl on it, and I just couldn't picture her doing anything sexual, let alone being dirty. I hesitated for a moment, but finally curiosity got the better of me and decided it wouldn't hurt to take a peek at it.

Flicking through the scene selection menu on the player downstairs, I noticed that it seemed to be an all-lesbian show. Each selection had a little loop of the action displayed. One of them, starring the DVD cover girl and an attractive brunette, caught my eye so I settled on it and hit play.



On the screen, the sexy blonde was sitting on a bar-top – the surface was glass and chrome – and behind the bar was a pink neon sign that said something in German. She looked into the camera and licked her finger, before laying back on the bar and rubbing her pussy. The camera zoomed in on this – her labia lips were all wet and crinkled, glistening as her finger worked itself between them.

I could feel my own lips beginning to get wet, too, as her nimble digits concentrated on her clit. Suddenly a tongue appeared in the shot, snaking straight up her slit. The camera panned out to show that the brunette had joined her on the counter top. I've never seen anyone performing cunnilingus before, but this girl was so accomplished and had such an agile tongue, that I couldn't tear myself away. I felt a bit guilty for it, but found

FESSIONS

myself wishing that Alfie could do as good as a job as her when he went down on me. But I also wondered what another woman's pussy would taste and smell like.

Both girls must have had boob jobs, because as they lay down their tits stayed pert and firm, and didn't flatten or slide to the side like most boobs did. I wondered what they must feel like, as one of the girls started to squeeze the other's rounded orbs, sucking her nipples which elongated dramatically.

I was breathing heavily as the girls took it in turns to play with each other's pussies, and as the action heated up on screen, my hand slipped up under my skirt and, pulling my gusset to one side, I began to synchronise my caresses with those of the porn stars.

Those gentle strokes grew more vigorous as the girls wanked and licked each other furiously. And when they got a long double-ended dildo out and inserted either end into their glistening snatches, I wished I was part of the action too. They lay on their backs, grinding their pussies together and screaming ecstatically as their plastic partner pleasured them both simultaneously.

By now, I was lying on the floor with my skirt up and my knickers pulled down round my ankles. With three fingers inside my fanny and the index finger of the other hand flicking my clit, I knew it wouldn't take me long to reach that blissful place.

Usually when I come I close my eyes, but this time I made an effort to keep them open and, as my body went into orgasmic contractions, I watched the two women on-screen getting their own kicks, groaning loudly and thrashing around.

I lay there panting heavily for quite a few minutes afterwards, but eventually got up and put the DVD back where I'd found it. I was still aroused, though, and couldn't stop thinking about those girls licking each other out. I wished I knew someone I could try it with, but I don't think any of my friends are that way inclined – and I don't fancy trying it on to find out!

A couple of hours later, I still hadn't managed to get my mind off sex, despite Alfie being due home, and getting the housework done. My knickers were sopping wet and my still-swollen clit throbbed, making me yearn for some satisfaction. As soon as Alfie stepped through the front door, I was all over him.

After snogging the face off him, he didn't seem to mind when I pushed him to his knees and pulled his head up under my skirt. He immediately got the hint, and his tongue was soon working away. I closed my eyes and my mind wandered away until I found myself fantasising that it was the blonde girl from the porno eating me out.

I came pretty quickly, then rolled him onto his back on the floor, pulling his trousers and pants down in the process. I rode him hard, grinding my pubic bone against his. His cock filled me, but in my mind's eye he was the blonde girl who I was screwing, with the double-ended dildo. He didn't last long at that speed, exploding inside me before going limp. I moved up his face and let him bring me off with his tongue again, all the while replaying that DVD episode in my head.

Alfie still doesn't know that I found his secret stash. Neither does he know that I've taken to watching all the lesbian porn I can find and using it to build vivid fantasies with.

He seems happy that our sex life is going from strength to strength, but it's probably a good job he doesn't know what I'm fantasising about as we screw.

THE RANDIEST R.A'S WHO'LL BE TENDING TO YOUR TACKLE

Wet Nurses

Big Breast Nurses 6

Released by: Reality Junkies
Starring: Rebeca Linares, Rachel Starr, Yurizan Beltran, Jazy Berlin, Sarah Vandella

BEST BITS: Sarah Vandella's performance as a ditsy nurse is as hilarious as it is sexy. She manages to maintain a comic air throughout with her witty one-liners, without making it too cheesy. And we should also mention her amazing deep-throating action, which is second to none. Cover star Rebeca Linares is smoking hot in and out of her nurse's uniform – and her scene is equally so. Her enthusiasm being fucked is matched only by Yurizan Beltran's (*left*), who seems really happy to be getting some dick!

WORST BITS: Because of the heavy script at the beginning of some of the scenes and the inability of certain porn stars to learn lines, some dialogue is distractingly cut to shreds, completely ruining the set-up. If it had been us in the editing suite, we would've cut straight to the sex, but we guess that's testament to how important a storyline is to Reality Junkies.

DVD FEATURES: Photogallery, pornstar stripteases, cumshot recap, 20-minute behind-the-scenes featurette, two trailers.

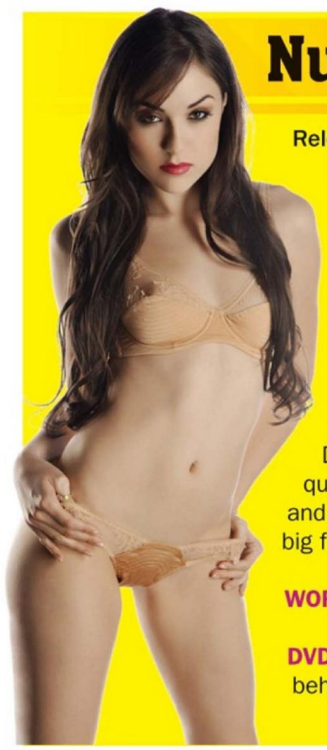
Nurses



Released by: Digital Playground
Starring: Jesse Jane, Stoya, Katsuni, Sasha Grey (*left*), Riley Steele, Jenna Haze, Shay Jordan, Gabriella Fox, Shyla Stylez, Shawna Lenee

BEST BITS: The cast of this niche fetish feature is inspired, with the contracted stars being their magnificent, and utterly filthy, selves. There are way too many best bits to mention, from Jenna Haze's opening blowie, to Stoya's passionate chemistry with stud, James Deen, to Jesse Jane and Riley Steele's awesome three-way (which sees Riley being choked by Jesse, as she also gets royally fucked by a stud), and Shyla Stylez banging the fuck out of British boy Danny Mountain, before milking him for all she's worth. Which is quite a lot. The finale sees Jesse Jane, Stoya, Katsuni, Shay Jordan and Riley Steele, along with legendary cocksman, Erik Everhard, in one big free-for-all. One of the best seven-somes we've seen in years!

WORST BITS: None.

DVD FEATURES: A brilliantly entertaining 12-minute behind-the-scenes feature, photo gallery and slideshow.

OOOAAR!

Nurses Takin' On Big Dicks

Released by: Zero Tolerance
Starring: Dani Daniels, Cameron Canada (*below*), Brandy Aniston, Anita Toro

BEST BITS: They're dressed as nurses, and they are taking on some pretty huge cockage, but there's something missing here. The girls are all beautiful, and the sex isn't complicated by needless dialogue. DVD cover girl Dani Daniels, is looking seriously sexy in the opening scene, and starts by swallowing down stud Pete's schlong in one go. Some wankworthy mouth-fucking ensues, before he stuffs her twat in missionary, spoons, doggy and reverse cowgirl, then cums all over her pretty face. Phew! It's the first time we've seen stunning Anita Toro in action, and we were more than a little impressed. She deep-throats like a pro, and seeing her getting slammed from behind is an image we instantly saved to our collective wank bank!

WORST BITS: Every scene is a simple boy-girl, with the usual run-through of positions. Imagination please!

3/5

DVD FEATURES: Photo gallery, cumshot recap.

Registered Nurse 3

Released by: Smash Pictures
Starring: Alexis Texas, Lexi Bloom, Ryder Skye, Jessie Andrews, Katie Jordin

BEST BITS: Breathtakingly gorgeous with a killer bod, Alexis Texas delivers strongly on every level, with her enthusiastic sexual performances and believable acting skills hitting every spot. We were particularly blown-away (no pun intended) by her oral skills: sucking, stroking, spitting and swallowing, Alexis Texas is the star of this flick, and the only reason for watching.

WORST BITS: Surprisingly, Ryder Skye's scene was verging on tediously boring. Her blowie felt like it went on way too long, there's not a hint of (even forced) chemistry between her and her male co-star, and it looks like she almost tries to dodge his jizz-shower at the end. Shame.

DVD FEATURES: Fantastic 25-minute behind-the-scenes feature.
